DETAILED ACTION

Allowable Subject Matter

Claims 58-114 are allowed.

The following is an examiner's statement of reasons for allowance: There is no disclosure or suggestion of a device having all of the claimed limitations. While various types of Braille pins and pin holding devices are known, there is no suggestion of a pin holding apparatus which has elastic members having the claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Schleppenbach, Roberts, Tieman, Hong, Schuler and Kaplan disclose various Braille display devices.
